

Federation of Families of South Carolina

A Voice for Children's Mental Health in SC

The Federation of Families of SC is seeking a parent/caregiver who has had the primary caregiving responsibility raising a child with emotional, behavioral, mental health and/or substance use disorder to be employed as a part-time Parent Peer Support Provider. Interested candidates must submit a **resume** and **cover letter** sharing your lived experience raising a child with behavioral health needs to Belinda Pearson-Barber at belinda.barber@fedfamsc.org. This position will be based in the **Greenville** area, but will cover several counties in the Greenville Region.

Parent Peer Support Provider Responsibilities:

Parent Peer Support Providers work with families in their homes and in the community. This includes outreach activities such as face-to-face meetings, telephone, mail, email and Facebook contact as well as presentations with community agencies that serve children, youth and their families.

Parent Peer Support Providers participate in Individualized Education Planning (IEP) meetings; Plan of Care meetings; child welfare and court hearings; and, other meetings pertaining to the child's behavioral health care needs.

Parent Peer Support Providers develop support networks and educational groups with family members/primary caregivers of children and youth identified with, or at risk of emotional or behavioral challenges across their region.

Position requirements:

- High School Diploma or GED.
- Lived experience as parent or primary caregiver of a child, youth or young adult with a mental, emotional, behavioral and/or substance use disorder.
- Valid driver's license
- Reliable transportation
- Ability to pass required background checks including Department of Motor Vehicles.
- Ability to work a flexible schedule including evening and weekend meetings with parents.
- Knowledge of, or ability to develop familiarity with, pertinent community resources, wraparound principles, children's mental health, and navigating child serving systems such as mental health, special education, child welfare, and juvenile justice.
- Strong communication skills
- Strong writing skills
- Proficiency with Microsoft office and social media
- Ability to work effectively within a team or independently

We are an Equal Opportunity Employer.
