2018 Family and Youth Summer Retreat Family Member Criteria for Attendance

The 2018 Annual Family & Youth Summer Retreat will provide training, technical assistance, and networking opportunities to empower family members of youth and young adults with emotional, behavioral, or mental health needs and/or substance use challenges to support other families in the community.

Parents and caregivers who have completed a peer support provider or leadership training program, are ready to mentor other families, or are interested in learning more about the peer support process will reap the most benefits from this continuing education and leadership training conference.

To meet the different training needs of our attendees, this year’s conference features two adult tracks: **Parent Peer Support (PPSP) Track** and **Leadership Track**.

To ensure an optimal learning environment, attendees must meet the following criteria:

1. Be a parent or primary caregiver* of a child with behavioral or mental health needs and/or a substance use disorder.
2. Attend the full conference time frame for which they register.
3. Be willing to share their “lived experience” raising a child with behavioral health or substance use challenges (PPSP Track).
4. Be willing to learn more about resources available in the community and the process of supporting other families through peer mentoring (Leadership Track).
5. Agree to provide the Federation of Families of SC with follow-up information regarding how the conference has been of benefit to the child and family.
6. Be willing to attend the meetings of your local FFSC Family Support Network (FSN) or assist in starting a FSN if none are available in your community.

*Primary caregiver (biological, adoptive, or foster parent or grandparents or other individual providing primary care to the child)

Lodging & Other Information

Please Note: Family members will room together. Adults or youth attending the conference alone will be assigned to shared rooms (up to 4-person occupancy) based on gender. Single and double room options may be available for an additional fee. All rooms are non-smoking. If you are found smoking in your room, you will be charged a \$250.00 smoking fee to be paid directly to the facility. FFSC will not be responsible for such charges.

If you have any dietary needs or require any other special assistance, please let us know PRIOR to attending the conference. Attendees will be responsible for all personal items and any additional charges to the room not related to the conference.

I understand that if I am unable to participate in the conference, I will receive a full refund only if I notify FFSC by **June 8th**. I also understand that I will **NOT** receive a refund if I notify FFSC on **June 8th** or later.

I, _____, have read and understand the criteria to attend the 2018 Family and Youth Summer Retreat. I agree that I meet the criteria and will complete the requirements listed above.
