

Children's Mental Health Month About the Art Contest

For the past 20 years, the SC Children's Mental Health Awareness Week Art Contest has been a positive, creative outlet to raise awareness and reduce the stigma that keeps children and youth from getting connected to treatment and supports for their behavioral and mental health needs.

The 2023 Poster will be designed using the winning art that best represents the theme: "Messengers of Hope: You Are Not Alone!"

The prizes are: 1st place: \$100, 2nd place: \$50 & 3rd place: \$25

We encourage classrooms, groups and individuals to participate in this year's art contest.

The creation of the artwork is an opportunity to reflect on the importance of everyone's emotional well-being and health as many students face issues such as bullying, isolation, and stigma.

Deadline for entries: Friday, February 3, 2023

Mail or deliver artwork to:
Federation of Families of SC
810 Dutch Square Blvd. Suite 486
Columbia, SC 29210
If delivering, please call
